BOOTS

“We need more boots on the ground in the fight to provide low-income Texans access to legal representation”

Underserved Houstonians need the support of pro bono attorneys to navigate challenges presented by an intimidating and inaccessible legal system. Your help with matters such as estate planning, guardianship, medical-legal, and tax issues can change lives.

How to Participate:

- Sign up to take a case (or two)
- Encourage your peers to volunteer
- Post on social media! Be sure to tag @HoustonVolunteerLawyers and use #RecruitMoreBoots

Prizes will be awarded to the volunteer who recruits the most friends!
